## Notice Regarding Changes to the Notation for Undispatched Machines

Dear Members,

We hope you are in good health and well-being. We would like to express our sincere gratitude for your continued patronage.

In order to provide Actio Auction users with more easily understandable information, we have decided to change the notation of undispatched machines. We would like to inform you of the changes as follows:

### **Details of the changes:**

Current Notation  
Not delivered

Altered Notation  
Coming

### **Effective Date:**

**from the auction held in August 2025**

### **Background of the Changes**

Undelivered machines have previously been described as "Not Delivered."

To allow customers to more intuitively understand the situation, we have changed the notation to "Coming."

We will continue to strive to improve our services to ensure customer satisfaction.

We appreciate your understanding and cooperation.
